

HOW AM I SMART?

NAME _____

HOW AM I SMART?

A survey for young people

Developed by the Program Department
London District Catholic School Board

Multiple Intelligence Survey Instructions

1. Either read, or listen as your teacher reads each of the statements on a page.
2. Colour in the faces:

If a statement is like you, fill the smiling face with green .	
If you can't decide whether or not the statement is like you, colour the middle face yellow .	
If a statement is not like you, colour the frowning face red .	

3. If you aren't sure what a statement means, ask your teacher.

Graphing Your Data

1. Turn back and look at the **Number Smart** page.
2. Count the number of smiley faces you coloured on that page.

3. Turn to the back of this booklet and find the wedge of the pie graph that is labelled **Number Smart** (orange).
4. Starting at the centre section of **Number Smart**, colour one section for each of the smiley faces you have counted. (Use **orange** for this wedge).
5. Do the same for the other **7 types of Smart**, using the colours shown on the graph.

Nature Smart

I like to walk outside.

I like animals.
